

Are you wondering how to create
CHANGE in your community?

Do you want to discuss possibilities like
a tool exchange, ridesharing, and local
foods?

Then **YOU** need to join Sustainable
Alachua County for SNACKS at the
Community Stakeholder Meeting!

There will be a brief history of the
group and then **YOU** can start to shape the
future as we brainstorm!

**THURSDAY FEBRUARY 12, 2009
7-9 PM @ THE FELLOWSHIP HALL
HOLY TRINITY EPISCOPAL CHURCH
100 NE 1ST ST, GAINESVILLE**

RSVP AT SUSTAINABLEAC@GMAIL.COM

Sustainable Alachua County is a non-profit with
a mission of providing education and civic participation
opportunities that enhance the sustainability and healthy
functioning of our environmental, social/cultural, and
economic systems.
