

Rain Dance Gallery

Representing American Indian & Western Artists & Designers

Hello Friends!

We invite you all to join us for our Spring Show at the Bethesda Marriott, 5151 Pooks Hill Road, Bethesda, Maryland.

March 27 - 30, 2008

Thursday, March 27 • 12 noon - 8 pm

Friday, March 28 • 12 noon - 8 pm

Saturday, March 29 • 10 am - 6 pm

Sunday, March 30 • 10 am - 4 pm

We've pulled out all the stops and this should be our best show ever!

Due to the increased costs of everything these days, and the fact that each trip takes us away from the gallery for nearly two weeks, this is our **ONE AND ONLY SHOW** in Maryland for 2008. We're sure you will like the many new offerings we'll be bringing with us. So there's no need to wait for GW's stimulus package. If you want to get a jump start on jump starting the economy, here's your perfect opportunity!

Along with a new collection of turquoise jewelry, there will be new fetish carvings, hand-hammered copper vessels, rugs in a variety of sizes, a new designer pillow collection, a huge selection of recently arrived Nicaraguan pottery, and 'cocuchos,' (giant pottery vessels), hand-made in the mountains of Mexico. We'll be introducing the works of two new painters, as well as offerings by some of your old favorites.
